Sub:- Hydro testing and Safety Relief Valve testing of LPG road tankers under SMPV(U) Rules, 1981
– regarding

Dear Sirs,

References have been received in this office wherein LPG in substantive quantity is being released into atmosphere from LPG road tanker vessels at public places prior to hydro test and safety relief valve testing by some competent persons, thereby endangering public safety.

It is the responsibility of the competent person to observe all safety precautions and relevant provisions including Rule 20 of the SMPV(U) Rules, 1981 while carrying out inspection and certification of the LPG road tankers under Rule 18 & 19 of the said Rules.

In view of the above, all the competent persons are hereby advised to include the details of place of evacuation/degassing of the compressed gas road tanker in certificates under Rule 18 & 19 of the said Rules. The proformas in respect of Rule 18 & 19 have been suitably revised and the same are available on this office website at ‘www.peso.gov.in’ which may be downloaded. The copies of the same can also be obtained from this office. It may please be noted that the certificates which are not containing the particulars as mentioned above will not be accepted for the purpose of grant/renewal/amendment of the licences in Form IV of the SMPV(U) Rules, 1981.

Please note that in case of non-compliance of the above instructions, action for revocation of recognition as competent person is liable to be taken under the aforesaid Rules.

Please acknowledge the receipt of this letter.

Yours faithfully,

-Sd/-

(P.B. Yedla)

Chief Controller of Explosives

Copy to All Circle & Sub-circle Offices

They are requested to ensure that safety relief valve test certificates and hydro test certificates issued by the competent persons under Rule 18 & 19 of SMPV(U) Rules, 1981 for grant/amendment/renewal of the licences in Form IV are containing the details as mentioned above.

Chief Controller of Explosives
