Subject - Letter of Appreciation.

Respected sir,

We, Inox India Pvt. Ltd. is among the largest manufacturers of standard & engineered cryogenic equipment serving leading government and private organizations. Our forte being design, engineering, manufacture, supply & commissioning of turnkey packaged system involving storage, vaporization and distribution systems.

In West region, we are majorly supplying to the State Government and Municipal Corporation hospitals and even private hospitals.

During this Pandemic COVID-19 situation, the demand for Liquid Medical Oxygen increased tremendously and all existing and upcoming health facilities required the Liquid Medical Oxygen at the forefront.

The installation of Liquid Medical Oxygen storage cryogenic tank and usage comes under the SMPV Rules 2016 and involves the approval from Petroleum Explosives and Safety Organization (PESO) office under prior approval of site plan and final grant and endorsement of license.

Once the lockdown was initiated from March 2020, The PESO Mumbai office was working continuously in providing the necessary approvals to Corporations & Hospitals (License holder) for entire west region at the earliest enabling us to supply Liquid Medical Oxygen and serving in COVID-19 treatment.

We would like to take a moment and appreciate the dedication and devotion expressed from your end in this entire process helping all to work smoothly in this crucial situation.

Your transparency towards work helped us to provide the right documents and all the necessary approvals were granted in accordance to SMPV rules.

The co-operation and support extended from your end is beyond any word and we use this platform to let you know that you have helped us in serving the nation.

We assure you the same amount of support from our end and we are sure that PESO Mumbai office will keep working in this way and showcasing their best effort.

Thanking you,

For INOX India Pvt. Limited

  
Deepak Acharya  
Chief Executive Officer
